## WELCOME

It is a privilege to invite you to Iceland for the SpecialCare 2017 conference. This is the 23<sup>rd</sup> conference of the Nordic Association for Disability and Oral Health (NFH) and is held in conjunction with the 5<sup>th</sup> Nordic Conference on Children with Feeding Disorders in Reykjavík 17<sup>th</sup>–18<sup>th</sup> of August in 2017.

This conference will provide an active forum for presentations and discussions. The scientific programme will be prepared by our Scientific Committee together with clinicians and researchers to create an interactive conference. This is a great opportunity to meet with colleagues, to exchange ideas, but most of all to make friends.

Reykjavík is an excellent venue for the conference. It is the capital city of Iceland and the northernmost capital in the world. Along with an ambitious social programme, the participants will have the chance to explore some of the renowned natural attractions of Iceland.

Detailed information on the scientific programme will be available on the conference website in due course.

On behalf of the Organizing Committee we warmly welcome you to Iceland.
